

The Virtual Classroom for Junior Individuals

Improve your English whether you're at home or on the move with our online Junior General English Language classes which run every week day! Ideal as an add-on to your school studies!

- Boost your English language learning by studying general English online
- Study with students from all over the world in classes between 4-6 students
- Fixed lesson times every day
- 1-2-1 tutorial packages available separately or as add-on to online lessons

How it works

- Get in touch with a member of our admissions team
- Complete the registration form
- Receive your welcome pack and class schedule
- Join your online class and start learning!

What is included

- Interactive lessons with our qualified UK and North American based teachers
- 3 hours of teaching per week in the virtual classroom
- 2 hours of supportive project work
- Initial assessment and final review of all work
- Certificate of completion at the end of your course

Lesson times

Lessons for individual students will start from Monday 13th April 2020.

Online lessons will take place at 13:00 BST on Mondays, Wednesdays and Fridays.

English classes in four levels will be offered each week:

A2: Pre-Intermediate

B1: Intermediate

B2: Upper-Intermediate

C1: Advanced

A minimum of four students per level are required in order for classes to run

Please check the grid below to see what time the lesson will be held in your region:

Time zone +/- BST	
London	13:00
Toronto (-5)	08:00
Vancouver/San Diego (-8)	05:00
Bogota (-6)	07:00
