

The Virtual Classroom for Juniors

Instead of travelling why not bring our classroom into your home?

Oxford International have developed a virtual online classroom for Junior individuals and groups!

- Boost your English language by studying English online with us
- Study with students in classes as small as 4 students! (Larger closed groups also possible)
- 5 hours of total tuition per week including 2 hours of exciting project-work
- Flexible lesson times to suit your schedule

How it works

- Get in touch with a member of our admissions team
- Complete the registration form and let us know what teaching times the student(s) would like to be taught
- Receive the welcome pack & class schedule
- Join the online class and start learning!

What is included

- Small class sizes (minimum of 4 students required for class to run)
- Interactive lessons with our qualified UK and North American based teachers
- 2, 3 or 5 hours of teaching per week in the virtual classroom
- Complementary homework
- Choose from General English or Skills for the workplace syllabus
- Certificate of completion at the end of your course
