

# The Virtual Classroom for Individual Junior students

Improve your English with bespoke one to one lessons with our friendly, enthusiastic, qualified teachers. Choose what, where and when to study from the comfort of your own home!

## Why study online?

Choose your day, time and length of study

Interactive lessons with fully qualified, experienced, native speaker teachers

Individual, personalised 1:1 tuition

Complementary homework if required

Choose your own study plan or complete a whole course book in 2 or 6 weeks

Online Oxford International Certificate on completion of course

Pre-course placement test and needs analysis available

## Course information

THREE study options available!

- **Intensive workbook package** - Complete an Oxford International Junior syllabus workbook in just two weeks studying for two hours per weekday (total 20 hours)
- **Standard workbook package** - study the same workbook but at a more relaxed pace of three hours per week over six weeks (total 18 hours)
- **Freedom package** - choose what you wish to study and when by setting your own study plan and timetable in advance (needs analysis to be completed)

## How to book

- Get in touch with a member of our admissions team or your regional representative
- Complete the registration form and let us know your preferred teaching timetable and lesson content
- Receive the welcome pack & class schedule
- Join the online class and start learning!
