

# BEO CENTRES 2020

## HI AND WELCOME TO BEO 2020!

We hope you have all seen the guidelines launch and are very excited for BEO 2020!

As we want to keep you updated as we get closer to the 2020 competition, we are revealing one of the most important things, where the competition will take place.

With a new addition this year, we are pleased to present to you the centres that will host BEO 2020:

### Ardingly College

Ardingly College is a selective co-educational school. Founded in 1858, it is included in the Tatler list of top public schools. Ardingly College is situated in Sussex, in the south of England. Ardingly has been a venue for the BEO programme for 9 years now, and will hopefully host many more BEO winners!

### Bradfield

Bradfield is situated in Berkshire, near Reading. Bradfield College dates back to 1850 and accommodates both boarding and day students. The college is one of the most prestigious in the UK and has many notable alumni, known as Old Bradfieldians.

### Oundle School

Oundle School is situated in the historic market town of Oundle, near Peterborough, and the school dates back to the 17th Century. With boarding houses and facilities (including a state of the art theatre) dispersed around the town, it is the third largest boarding school in the UK.

### Lancing College

Located on a hill on the South coast of England, Lancing College is a boarding school with fantastic facilities for students to use, and a breath-taking chapel, where the opening ceremony will take place. Overlooking the River Adur, Lancing is an outstanding venue to hold the BEO competition!

### Bedales School – NEW for 2020

Bedales School is a co-educational boarding and day school. Located in the village of Steep, near Petersfield, the school was founded in 1893 in reaction to the limitations of conventional Victorian schools. Bedales School's aim is to develop inquisitive thinkers with a love of learning who cherish independent thought.
