

The Virtual Classroom for Individual Junior Students

Improve your English with bespoke one to one lessons with our friendly, enthusiastic, qualified teachers. Choose what, where and when to study from the comfort of your own home!

Course Information

THREE study options available!

- **Intensive workbook package** – Complete an Oxford International Junior syllabus workbook in just two weeks studying for two hours per weekday (total 20 hours)
- **Standard workbook package** – Study the same workbook but at a more relaxed pace of three hours per week over six weeks (total 18 hours)
- **Freedom package** – Choose what you wish to study and when by setting your own study plan and timetable in advance (needs analysis to be completed)

How to book

- Book directly via our website or get in touch with a member of our admissions team or your regional representative
- Complete the registration form and let us know your preferred teaching timetable and lesson content
- Receive the welcome pack & class schedule
- Join the online class and start learning!

Why study online?

- ▶ Choose your day, time and length of study
- ▶ Individual, personalised one to one tuition
- ▶ Choose your own study plan or complete a whole course book in 2 or 6 weeks
- ▶ Pre-course placement test and needs analysis available
- ▶ Interactive lessons with fully qualified, experienced, native speaker teachers
- ▶ Complementary homework if required
- ▶ Online Oxford International Certificate on completion of course
