

# INTERNATIONAL NIGHT

The WEE programme continues to include new nationalities every year, and to celebrate this we launched our first International Night back in 2017. After continued success, we are pleased to announce that this year the event will be taking place again at your centre. Schools will each be given a table at the international fair, where they can present items from their home towns or countries and share their culture with other students.

While some of the team remain at the table, others can explore the room and meet their fellow contestants. Students are able to swap around, so everyone can experience all the different cultures on campus. Please feel free to bring food, cultural items or anything special that you would like to share! There are also opportunities for teams to perform a traditional dance or song. If you would like to perform please prepare something with your students prior to the international night, however, this is not required. This event is a whole campus activity, which means all schools at your centre will be participating.

This event will take place in the impressive Big Hall at Christ's Hospital, where we will provide each school with one table to present from.
