SUMMER 2022

ENGLISH AND FOOTBALL WITH TOTTFNHAM HOTSPUR

OXFORD INTERNATIONAL EDUCATION GROUP

Dear student, thank you for joining us in the UK this summer. At Oxford International Junior Programmes, our aim is to provide young students from all over the world with a safe, fun, friendly and structured environment in which to improve their knowledge of the English language.

We are one of the top providers of junior programmes in the UK and a unique British Council accredited education provider. Oxford International Junior Programmes is part of the Oxford International Education Group (OIEG) which was founded in 1991 as ISIS Education and Travel by David Brown and Robert Darell. Oxford International has grown to be one of the top 10 businesses sponsored by the Prince's Trust after it provided OIEG with a £5,000 loan.

OIEG now offers a huge range of university pathways, spring, summer and year round academic programmes and educational tours. Our programmes have grown steadily in size and popularity and we now run 14 centres in the UK and 6 centres in North America welcoming over 10,000 students.

We create life enhancing learning experiences that help students worldwide to develop personally and professionally and that enrich their future opportunities.

Royal Holloway is a public research university and a college of the University of London. It has 19 academic departments and approximately 10,140 undergraduate and postgraduate students from over 100 countries. The Egham campus was founded in 1879 by the Victorian entrepreneur and philanthropist Thomas Holloway. It was officially opened by Queen Victoria as an all women college in 1886. By 1945 the college admitted male postgraduates and in 1965 around 100 of the first male undergraduates.

The Founder's Building, at the centre of the campus, was completed in 1881 by William Henry Crossland and was inspired by the Chateau de Chambord in France. A statue of Queen Victoria sits in the centre of the north quadrangle. The centre of the south quadrangle contains a statue of Thomas Holloway and his wife Jane. The Founder's Building houses the Picture Gallery, containing a collection of over 70 pieces of Victoria Era art, purchased by Thomas Holloway during the 1880s, and it was given to the college at the time of its foundation.

ONSITE ACTIVITIES

Challenges

Challenges are great exercises that encourage students to work in teams. All challenges are stimulating problem-solving tasks designed to help group members develop their capacity to work effectively together. Challenges at your centre will be an egg drop challenge, team challenges, photo challenge, etc. Unfortunately, as challenges are a mystery before running the activity, not much information can be revealed in advance!

Sports

Sports sessions are designed for all students to have a good time. The structure of most of the sessions will include a warm-up, improving skills and final games. Otherwise, a tournament structure will be followed. Sports will include running club, basketball, dodgeball, etc. It is important that students wear suitable sports clothes and footwear for the sports sessions.

All Campus Activities

These activities will involve all students at the centre to participate; it will be a great opportunity for students to get to know each other and learn about other cultures. Discos are usually the most popular night with the students and they will be themed as Union Jack disco, festival disco and the last disco theme will be decided at the centre; it's up to the students! The talent show is the perfect opportunity for students to show off their music, dance and drama skills. This activity is incredibly popular and even staff may prepare an act to display on the night! Don't forget the International night, where you will be able to share your culture and background with all other students!

Workshops

Workshops are alternative activities for those students who prefer more creative and relaxing sessions. These workshops are focused on specific skills, so each session will be based on a particular theme. Students will be able to participate in a group mural, a drama workshop and a self-portraits workshop amongst others; these activities will encourage students to be creative and improve their artistic skills as well as learning specific vocabulary.

Sign up activities:

To ensure students take part in onsite activities, they will now need to sign-up in advance and register will be taken at the begining of each activity.

THE PROGRAMME

English Lessons

The students will have a placement test on arrival. This is both a written and oral exam so we can place the student in the most appropriate class. We place the students by English level, ensuring there is a good nationality mix in each class. We split each lesson block into 2 x 90 minute sessions.

Daily Meetings

Individual students will have daily meetings with the Football Coordinator and the Activity Manager to plan their day. These are the perfect time to raise any issues you may have. On your first evening at the centre, there will be a meeting where you will receive all the essential information about the first few days and will be introduced to all members of staff. During this meeting, you will also receive:

- Centre specific contact details
- Meeting times and points
- Programme details
- Lunch and dinner rota

Football Coordinator

At Royal Holloway, there is someone who is employed to look after the football students. Their role is to welcome the students on arrival to the campus: they may even pick up the students from the airport.

They look after the welfare of the students; making sure their passports and pocket money are secure, ensuring the student records are up to date, sharing any medical information as well as looking after them in the accommodation.

They will meet with the students every day to give announcements so they know what is coming up in the programme.

FOOTBALL COACHING

The Tottenham Hotspur Football Club Academy staff have created the player development syllabus. It focuses on developing the right environment to help the players improve.

Sessions will include; goal scoring, defending, possession and domination. Each session is themed around a specific element of the game and the FA and UEFA-qualified coaches use inspiration from the current First Team and Academy at THFC to help develop the young players on our programmes.

They will monitor each player individually to ensure they train with players of similar abilities and ages with the aim to progress every player through the ability levels.

FOOTBALL SEMINARS

On two evenings during the programme, the coaches stay on campus and have a classroom session with the

students. They last approx. 90 minutes and during the sessions, the students will learn more about nutrition, tactics and what it is like to live as a professional football player.

The sessions are very interactive and include discussions about favourite players and the best players in the world.

FREQUENTLY ASKED QUESTIONS

What happens if someone loses their passport?

We strongly advise that passports are stored safely and not carried around with them. If a passport is lost, the Activity Leader will need to accompany the student to the embassy of their home country where they will be issued with a temporary replacement or a permit to travel. The Centre Manager will be able to help locate the embassy and print any forms that might be helpful. We recommend that you have a photocopy of every student's passport as a backup.

What happens if a student is lost on an excursion?

The first thing to do is to contact their mobile. If this is possible then a member of OIEG staff will collect the student whilst you wait with the rest of the group. If they are uncontactable, the Activity Leader will get hold of the Centre Manager who will in turn contact Head Office. Every student is issued with an 'Emergency Number' lanyard and ID Card.

Students should call this number if lost and it will be answered by a member of Head Office.

How do students participate in onsite activities?

In most centres, a meeting point is set for activities. All activities and excursions will be advertised on the activity noticeboards and during mealtimes.

Students can choose which activity they want to participate in. To ensure students take part in onsite activities they will now need to sign-up in advance and register will be taken at the beginning of each activity.

Can students lock their room?

Yes. At Royal Holloway students will be able to lock their room. Corridors can be accessed by individual secure key cards. We ask that students take particular care of their keys/key cards as room 'lockouts' take a significant amount of time to rectify. If a key is lost, there will be a charge for its replacement.

What happens on departure day?

Prior to your final day on campus, students will be invited to attend a departure meeting where the full procedure is explained. At this point Centre Managers will indicate the time the group needs to be at the coach (which will arrive at the airport with at least 3 hours to check-in, go through security and reach your gate). A member of OIEG staff will accompany you to the check-in desks to assist you.

Can my students be taken off campus/programme by a member of their family?

We are happy to have parents or relatives visit the centre, as long as they contact the centre in advance to arrange this. It is also possible to have a parent or relative take a student out of the programme for a short time. Parental approval must be sent to the centre email in advance. Original ID of the adult taking them from the centre will be photocopied on arrival. Relatives who accompany the student away from the centre will be asked to sign an 'Unscheduled Activity' form and will need to leave a contact number in case of an emergency.

What should we do if there is a problem with a bedroom?

All accommodation blocks are checked prior to the students' arrival. However, if you do notice a problem when you get to the centre it is essential you report this straight away. All group leaders will be issued with a 'maintenance report card' where they can submit all their students' room problems. If the report card is submitted to the Centre Manager by 10am, the CM will ensure the request is passed onto the maintenance staff that same day.

What do I do if a member of my group has food allergies/dietary requirements?

The campus catering staff are very experienced in catering for all kinds of allergies or dietary requirements. During our 29 years of operation, we have never had a problem with allergic reactions to food prepared on campus. In order for this to continue to be the case we ask that you alert us to any allergies / requirements as early as possible, these should be notified before arrival in the UK.

What happens if a student is sick?

All sick students should be referred to the Welfare Manager or Centre Manager. If deemed necessary a member of OIEG staff will escort the student to a GP or hospital. If this does happen, the student must take their ID and any medical insurance documents (or EHIC Card) with them in the instance that they may be required.

Do you have any other questions?

Please do not hesitate to contact the sales team or our OIEG staff if you are on campus!

Is there a deposit?

Please be aware that a £25 or 30€ deposit will be collected upon arrival which will be returned at the end of the programme if there is no damage to the rooms or loss of keys etc.
