British English Olympics (BEO)

BEO Winners 2024

Highlights

The British English Olympics is a high profile, prestigious academic and cultural event, which takes place over two weeks during Easter at some of the most famous British boarding schools in the United Kingdom. It is comprised of six academic competitions, and culminates in an Awards Ceremony held at a famous location in London.

How the Competition Works

Groups who wish to join the British English Olympics can register their interest and receive a set of guidelines. The guidelines detail each competition, along with tips for preparing students before arrival.

- Each group enters the competitions as a collective team.
- Every competition can be won individually. To determine the overall winner, top groups from each campus, compete in the semi-finals, then the top teams from each semi-final groups will compete in the grand final.
- There are also other prizes available, including campuses champion, BEO talent show winner and the popular fair play award, voted for by the group leaders and awarded to the school felt to best represent the values of the BEO programme.
