

Oxford International Education Group

Dear Group Leader, thank you for joining us in the UK this summer.

At Oxford International Junior Programmes (OIJP), our aim is to provide young students from all over the world with a safe, fun, friendly and structured environment in which to improve their knowledge of the English language.

We are one of the top providers of junior programmes in the UK and a unique British Council accredited education provider. Oxford International Junior Programmes is part of the Oxford International Education Group (OIEG) which was founded in 1991 as ISIS Education and Travel by David Brown and Robert Darell. Oxford International has grown to be one of the top 10 businesses sponsored by the Prince's Trust after it provided OIEG with a £5,000 loan.

OIEG now offers a huge range of university pathways, spring, summer and year round academic programmes and educational tours. Our programmes have grown steadily in size and popularity and we now run 11 centres in the UK and 6 centres in North America welcoming over 10,000 students.

We create life enhancing learning experiences that help students worldwide to develop personally and professionally and that enrich their future opportunities.

About the Oxford Brookes University

Oxford Brookes University is a 'new' university in Oxford. It can trace its origins to 1865 when the former Oxford School of Art was established. In 1870 the School of Science was added. In 1934, the School of Art and the Technical School merged and by 1950 the college had 4,000 students. The university was renamed in 1992 to honour its former principal, John Henry Brookes. The university's School of Architecture is one of the largest in Britain.

In October 2003, Oxford Brookes University became the first university in the world to be awarded Fairtrade status. The Harcourt Hill campus is located two and a half miles from the city centre and Education, Philosophy, Religion, Theology, Media and Communication and many other subjects are taught here. The campus was formerly site of Westminster College, the an independent Methodist higher education institution which specialised in teacher training and theology.

It may also be possible to keep your group together in the same building but split the group across different floors/corridors by gender. If there are students in your group who are a different gender from yourself but you are the only group leader, those students will be supervised by a member of OIJP staff.

Onsite Activities

Challenges

Challenges are great activities that encourage students to work in teams. All challenges are stimulating problemsolving tasks designed to help group members develop their capacity to work effectively together. Challenges at your centre will include an egg drop challenge, team challenges and a photo challenge. Unfortunately, as challenges are a mystery before running the activity, not much information can be revealed in advance!

Sports

Sports sessions are designed for all students to have a good time. The structure of most of the sessions will include a warm-up, improving skills and final games. Otherwise, a tournament structure will be followed. Sports will include running club, basketball and dodgeball. It is important that students wear suitable sports clothes and footwear for sports sessions.

All Campus Activities

These activities will involve all students at the centre to participate; it will be a great opportunity for students to get to know each other and learn about other cultures. Discos are usually the most popular night with the students, one of them will be themed as Union Jack disco and the last disco theme will be decided at the centre; it's up to the students! The talent show is the perfect opportunity for students to show off their music, dance and drama skills. This activity is incredibly popular and even staff may prepare an act to display on the night! Don't forget the International night, where you will be able to share your culture and background with all other students!

Workshops

Workshops are alternative activities for those students who prefer more creative and relaxing sessions. These workshops are focused on specific skills so each session will be based on a particular theme. Students will be able to participate in a group mural, a drama workshop and a selfportraits workshop amongst others. These activities will encourage students to be creative and improve their artistic skills as well as learning specific vocabulary.

Sign Up Activities: To ensure students take part in onsite activities, they will now need to sign-up in advance and a register will be taken at the beginning of each activity.

Group Leaders

Group Leader Meetings

Group Leader meetings are essential for the smooth running of a residential centre; these are the perfect time to raise any issues you may have. There will be a meeting on your first evening at the centre (or the day after arrival) where you will receive all the essential information about the first few days and will be introduced to all members of Senior Staff.

Information we will need from you at this meeting:

- Student registration forms (a requirement by the British Council)
- Student rooming list (exact room numbers of each child)

Information we will give you at this meeting:

- Centre specific contact details
- Meeting times and points
- GL programme details
- Lunch and dinner rota
- Lessons and excursion procedures

Group Leader Programme

We appreciate how much work each Group Leader puts into a visit to the UK, and it is important for them to have some time to relax and meet other leaders.

The group leader programme is tailored to each centre, at **Oxford Brookes University** it will be made up of different events throughout the weeks.

With so much history at all of our centres, we want leaders to have a **tour** of the campus to know more about their location and the history of each site.

Group leaders will be invited to a traditional English **afternoon tea** within the first few days, allowing them some time to chat with each other and the centre staff, while enjoying a classic British experience.

A **cheese and wine** evening will also be arranged during one of the evenings for group leaders and senior staff only.

There will also be a **movie night** and an academic presentation from a member of OIJP Staff.

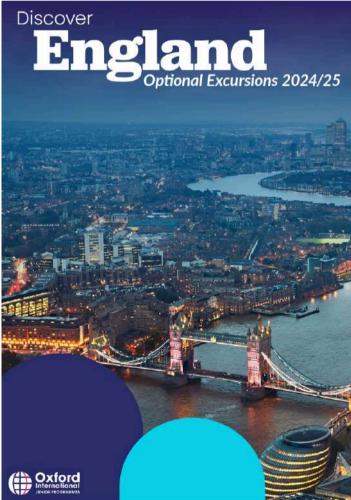

As Group Leaders We Promise To:

- Attend all meetings with OIJP staff
- Ensure that our students are punctual and attend all lessons, excursions and activity sessions
- Supervise students on excursions, in their accommodation and during meal times
- Report any allergies/medical issues to the Centre Manager on arrival at the centre
- Maintain a lively, courteous and friendly atmosphere throughout the whole programme
- Report any issues with the programme/campus whilst in the UK rather than waiting until we are home! This way OIJP can work together to fix it as soon as possible
- Have fun!

Frequently Asked Questions

What happens if someone loses their passport?

We strongly advise that passports are stored safely in the accommodation and remain there. If a passport is lost, the Group Leader will need to accompany the student to the embassy of their home country where they will be issued with a temporary replacement or a permit to travel.

The CM will be able to help locate the embassy and print any forms that might be helpful. We recommend that you have a photocopy of every student's passport as a backup.

What happens if a student is lost on an excursion?

The first thing to do is to contact the student on their mobile. If this is possible then a member of OIJP staff will collect the student whilst you wait with the rest of the group. If they are uncontactable, the Activity Leader will get hold of the CM who will in turn contact Head Office.

Every student is issued with an 'Emergency Number' lanyard and ID Card. Students should call this number if lost and it will be answered by a member of Head Office.

How do students participate in onsite activities?

In most centres, a meeting point is set for activities. All activities and excursions will be advertised on the activity noticeboards and during mealtimes. Students can choose which activity they want to

participate in. To ensure students take part in onsite activities they will now need to sign-up in advance and a register will be taken at the beginning of each activity.

Can students lock their room?

Students can lock both ensuite and standard bedrooms. Bedrooms should be kept locked at all times. Swipe cards cost £10 to replace, keys cost £35 to replace. Please advise your students to keep this card safe or attach it to their lanyard if possible.

What happens on departure day?

Prior to your final day on campus, Group Leaders will be invited to attend a departure meeting where the full procedure is explained.

At this point Centre Managers will indicate the time the group needs to be at the coach (which will arrive at the airport with at least 3 hours to check-in, go through security and reach your gate).

Can my students be taken off campus/programme by a member of their family?

We are happy to have parents or relatives visit the centre as long as they contact the centre in advance to arrange this. It is also possible to have a parent or relative take a student out of the programme for a short time. Parental approval must be sent to the centre email in advance. Original ID of the adult taking them from the centre will be photocopied on arrival. Relatives who accompany the student away from the centre will be asked to sign an 'Unscheduled Activity' form and will need to leave a contact number in case of an emergency.

What should we do if there is a problem with a bedroom?

All accommodation blocks are checked prior to the students' arrival, however, if you do notice a problem when you get to the centre it is essential you report this straight away. All group leaders will be issued with a 'maintenance report card' where they can submit all their students' room problems. If the report card is submitted to the Centre Manager by 10am, the CM will ensure the request is passed onto the maintenance staff that same day.

What do I do if a member of my group has food allergies/dietary requirements?

The campus catering staff are very experienced in catering for all kinds of allergies or dietary requirements. During our 30 years of operation, we have never had a problem with allergic reactions to food prepared on campus. In order for this to continue to be the case we ask that you alert us to any allergies / requirements as early as possible. The admissions team should be notified before arrival in the UK.

What happens if a student is sick?

All sick students should be referred to the Welfare Manager or Centre Manager. If deemed necessary, a member of OIJP staff will escort the student to a GP or hospital. If this does happen, the student must take their passport and any medical insurance documents with them in the instance that they may be required.

Is there a deposit?

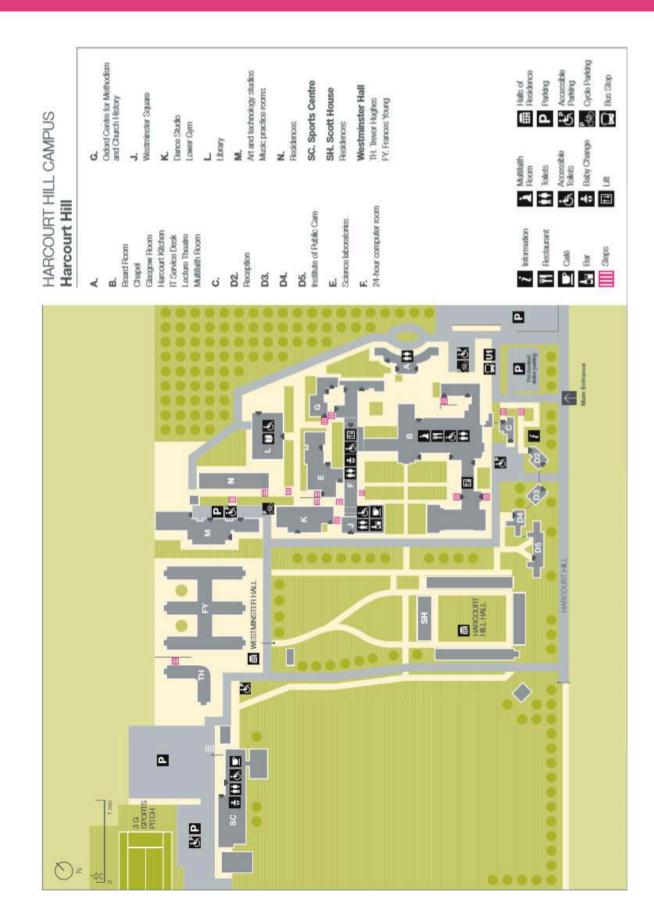

Please be aware that a £25 or 30€ deposit will be collected upon arrival which will be returned at the end of the programme if there is no damage to the rooms or loss of keys etc.

Do you have any other questions?

Please do not hesitate to contact the sales team or our OIJP staff if you are on campus!
