About the Global Business Championship

Welcome to the Global Business Championship, our premier business and leadership competition designed for ambitious students. Inspired by Ivy League & Oxbridge MBA programmes, students have the unique opportunity to develop their entrepreneurial spirit, critical thinking, and essential skills needed to thrive in a competitive global employment market.

Students go beyond the classroom to discover the best of the UK, from its world-famous attractions to its strong business foundation, through full-day excursions to exciting cities and business trips to some of the UK's most prestigious brands.

Why Join the Global Business Championship

Develop real-world business skills: Students work directly on a real-world business challenge, from the initial brief to developing a complete business case analysis, offering a unique end-to-end look at corporate problem-solving.

Receive individualised mentoring: New for 2026, students will participate in mentoring sessions with seasoned professionals to gain practical insights and guidance from industry leaders.

Compete and shine: Your school will compete in a series of dynamic challenges, developing critical thinking, problem-solving, and other key soft skills along the way. Teams will be evaluated by an expert panel of judges in a rewarding and competitive environment.
