

UK School Immersion Programme

Learn, explore, and connect.
Open your world with a British immersion experience!

Experience a British primary or secondary school as an integrated student and expand your horizons while learning, exploring, and making new friends. Through our **School Immersion Programme**, international students can enrol in high-quality and carefully selected UK partner schools, joining a full academic timetable alongside local students.

Why Join the School Immersion Programme

Genuine classroom integration

Global cultural exchange

English language skills development

Placement Schools

Placements are available close to UK cities, offering safe, high-quality school environments with excellent transport and host family networks.

- ✓ Onboarding meeting
- ✓ Weekly in-person check-ins
- ✓ Regular informal contact
- ✓ Host family support
- ✓ Problem resolution support
- ✓ End-of-placement review
- ✓ Dedicated Student Support Manager

**Half-board Lunch options depend on placement school.*

Student Safeguarding

Safeguarding is central to all Oxford International programmes. Our School Immersion Programme placements are aligned with Keeping Children Safe in Education (KCSIE) guidance. Our local host family accommodation is in line with British Council requirements. Students have access to a dedicated Student Support Manager, and we provide 24/7 welfare support.
