

SCHOOL IMMERSION PROGRAMME

A fully managed international student placement programme – bringing the world to your school with zero administrative burden.

Enrich your school community, strengthen your international profile, and generate additional revenue, all fully supported by Oxford International.

**PARTNERING
WITH PURPOSE**

LEARN. EXPLORE. CONNECT.

Trusted by schools in the UK to deliver safe, enriching, and professional international immersion experiences.

WHY SCHOOLS CHOOSE US

Low Burden

We handle compliance, safeguarding, and all student welfare.

Fully Managed

Placement coordination, host family accommodation, and ongoing student support are included.

High Value

Schools benefit from internationalisation, diversity, and additional revenue.

Easy Partnership

We deliver a simple, structured partnership for our placement schools.

PROGRAMME OVERVIEW

The Oxford International School Immersion Programme places carefully selected international students into partner schools for a structured cultural and academic experience. Oxford International manages all logistics, safeguarding, and student welfare – your school provides the learning environment.

Placements are designed to work with partner school capacity, availability, and non-exam timetable structure.

HOW IT WORKS

Step 1: Initial Conversation

We understand your school context, capacity, and preferences.

Step 2: Partnership Set-Up

A simple agreement is put in place, with full safeguarding and operational clarity.

Step 3: Onboarding

Schools provide information on key contacts, timetables, and school details.

Step 4: Student Matching

We carefully select and prepare students, sharing their profiles in advance.

Step 5: Placement Delivery

Students join your school and follow a normal timetable alongside UK peers.

From first contact to placement completion, schools receive dedicated operational & pastoral support, ensuring minimal administrative burden and full safeguarding assurance.

WHY PARTNER WITH US

Schools that host Oxford International School Immersion Programme students gain a unique competitive edge - enriching their community, supporting internationalisation goals, and generating additional revenue. All with minimal administration burden and disruption.

Every placement is backed by our dedicated support team, comprehensive safeguarding framework, and 24/7 emergency contact systems, so your staff can focus on what matters most.

Student Support Manager

Oversees student well-being, attendance, and behaviour.

24/7 Host Family Support

Out-of-school welfare and safeguarding.

Clear Escalation Routes

Immediate response to any concerns or challenges.

End-of-Placement Review

Ensures a smooth and structured conclusion.

READY TO PARTNER?

COMMON QUESTIONS

How are students supervised?

Oxford International provides a dedicated Group Leader for every cohort, managing pastoral care, discipline, and daily welfare. Your staff are not responsible for out-of-school supervision.

What happens at the end of the placement?

We handle all departure logistics, collect feedback, and provide a post-placement report.

Who do we contact if issues arise?

Our UK-based partnerships team is available during school hours, with a 24/7 emergency line for urgent matters. You will never be left to manage issues alone.

Contact our partnerships team today to discuss hosting opportunities, capacity, and next steps. **We make it simple to get started.**

Fill out the **Partner School intake form** so we can gather all of the necessary information from you!
