About the World Language Explorer

Welcome to the World Language Explorer, our unique and refreshed two-week English language programme!

World Language Explorer, developed in collaboration with National Geographic Learning, is an immersive experience that combines academic competition, friendship, creativity, and exploration.

This cutting-edge programme aims to develop English language skills by connecting classroom learning with the world around us, powered by National Geographic Learning materials. Students will have the chance to hone their presentation, creativity, and leadership skills while exploring the very best the UK has to offer.

Why Join the World Language Explorer

Become active global citizens: Develop your English language skills while learning to take an active role in bettering the world around us through a focus on environmental science, powered by National Geographic Learning materials.

Develop key skills: Experience hands-on learning that develops valuable skills including active listening and learning, leadership, critical thinking, and soft skills.

Compete and shine: You will compete in four mini challenges and one overall school team project. Individuals and teams will be evaluated by an expert panel of judges in a rewarding and competitive environment.

Key Features

8 x 3-hour sessions of immersive English language learning using cutting-edge National Geographic Learning materials.

1 thrilling challenge per week for teams to earn individual trophies.

1 overall team project that brings together all key programme skills, with one team crowned the ultimate champions!

Move beyond general lessons and explore English language learning through environmental science.

Academic resources and support available for team skills development.

Academic Guidelines and Webinars available from November to registered schools as additional support before the competition.
